Great! Thanks, Jim. I will keep you posted on when the official announcement of the NNAA winners is going to happen so you can coordinate the award in the region. I believe we will be sending a certificate signed by either Peter Wright or Steven Cook and I'll see if we can arrange a phone call as well.

We would certainly do the award in the region including a press release that could also be used by HQ. I check in with our RA tomorrow and get her thinking as she now knows Andrea quite well.

OK. So you all don't want to do the award in the region?

I think there is probably an EPA person (Peter Grevatt?) on one of the panels, so maybe you can involve him as he met Andrea at our PFAS community engagement event in June.

Thanks Jim,

So she did win the award and apparently we don't announce it at the same time as the rest of the NNA winners. So, can you and I figure out a way to get this to her? I can ask Jim Woolford for his thoughts.
